Features

- Translucent ABLEX™ patterned-weave mesh back and seat. Both can be mesh or upholstered.
- Upholstered models include energy-absorbing ENERSORB™ seat foam that conforms to the body and disperses weight ergonomically.
- Height- and width-adjustable arms with lockable, pivoting arm pads.
- Contoured waterfall seat design helps reduce sitting fatigue.
- Multi-position mechanism with tilt lock, free-flow, and locked settings, plus pneumatic height adjustment.
- The intelligent synchronous TORGLIDER™ balanced-recline mechanism automatically provides the appropriate support throughout the full range of recline.
- Five-prong graphite base with dual mag-wheel carpet casters.
- ANSI/BIFMA approved and TB117-2013 compliant.
