Butterfly

Stacker Chair

Cool Butterfly chairs help people to quickly and easily come together, move around, move apart-whatever the work requires. Lightweight and mobile for impromptu change.

Available in several models.

Some options include twin wheel carpet casters, chrome legs, drafting stool and soft tile casters.

Butterfly Features

Stacker Chair

Ideal for informal, flexible spaces where reconfiguration is encouraged and smaller scale is important such as meeting rooms, offices, reception areas, food facilities and lecture halls.

Molded seat and back offer exceptional durability and ease of cleaning.

Easy to move. Butterfly chairs are light weight and are well built.

Seat and back made from 100% recycled plastic.

Simple to stack. Stacks 6 high.

Aeration - the back is perforated with small holes to keep the user cool while seated.

Waterfall seat edge to reduce muscle fatigue.

California Fire Code #117.

Meets or exceeds ANSI/BIFMA standards.
