How To Care For Your Tuxedo™

With regular care and maintenance, your Tuxedo™ will provide many years of superior performance and satisfaction. To maintain the quality of your Nightingale chair, please follow the cleaning procedures outlined here.

Mechanism

Oil moving parts if ever necessary with light machine oil.

NOTE: to prevent dripping, avoid over lubrication which may cause damage to surrounding surfaces.

Fabric or Mesh

Clean with mild detergent and water applied with a damp clean cloth or sponge. Rinse using a damp cloth. Never use hot water and avoid scrubbing. Use gentle movements.

Plastic parts

Clean with mild detergent and water. Do not use abrasives or excessive amounts of cleaner.

Frame

Powder coat frames can be cleaned by wiping with a damp cloth and any mild detergent.

* The instruction for the care and maintenance of Nightingale Products are provided to you as a service. No warranty is implied since results may vary.

Congratulations On Purchasing Nightingale's Tuxedo™

Please read and understand this user guide with instructions before operating this office chair.

MODEL 3500

How To Use and Adjust My Tuxedo™

A. Pneumatic Height Adjustment
To lower, lift the lever while seated. To raise, lift lever with your weight off the seat.

B. Multi Position Tilt Lock
Push lever forward to unlock, push lever back to lock.

C. Tension Knob
Turn knob clockwise to increase tension, turn counter-clockwise to decrease tension.

D. Height Adjustable Arms
With polyurethane arm pads for comfort. Push button to raise or lower arm, release to lock.

E. Pillow Upholstery
This technique is used with vinyl, leather or leather plus to provide a wrinkled, plush appearance.

F. ENERSORB™
Conforms to your body when you sit and disperses your weight ergonomically to improve blood circulation and relieve pressure points.
