## Stackable | Nesting Chair

The versatility of this extremely comfortable chair is ideal for meeting, training rooms, touch down areas or long days of learning. Folding seat allows the NXO™ to nest horizontally providing a smart storage solution or it can be vertically stacked 3 high. A supportive dual hexagonal torsion bar system with preset tension allows the back to move to the weight and pressure exerted by the user.

*Available in 3 models. Options include arm and armless, mirror chrome legs finish, soft tile casters 2", glides, fully upholstered, fold away tablet arm and California fire code #133.*

# MXO™ Features

## Stackable | Nesting Chair

A supportive dual hexagonal torsion bar system allows for a unique reclining motion of the back.

This allows for the user to have exceptional ergonomic support and comfort.

The perforated nylon back enhances airflow and helps to keep the user cool and comfortable.

This chair stacks and nests. It stacks 3 high.

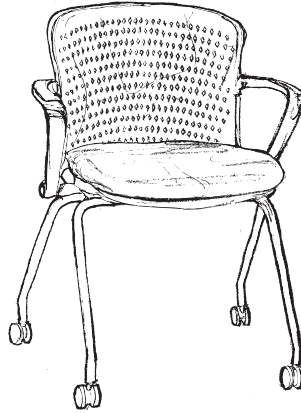

Energy absorbing dual ENERSORB™ seat foam conforms to your body and disperses your weight ergonomically to improve blood circulation and help relieve pressure points.

ANSI/BIFMA approved.
