# Using the Features On Your IC2®

## Pneumatic Height Adjustment

To lower, pull lever up while seated.  
To raise, pull lever up with no weight  
on the seat.

## Seat Slider

Lift levers up on both sides to unlock.  
While holding both levers, move seat to  
desired position and release to lock.

## Infinite Tilt Lock

To lock chair in desired position  
or free movement, pull lever up  
and release.

## Tension Knob

Turn clockwise to increase tension,  
turn counter-clockwise to release  
tension.

## Arm Height & Width Adjustment

To raise or lower arm height, lift  
trigger and slide up/down. To adjust  
width, turn knob on the underside  
of either arm clockwise and adjust  
width. To tighten in position, turn the  
knob counter-clockwise.

## Arm Pivot (i) & Arm Pad Adjustment (ii)

To pivot, press/hold front button to  
position in/outwards, and release to  
lock. To adjust arm pad slider,  
press/hold back button and slide into  
position, and release to lock.

## Ergonomic Adjustable Headrest

Simply lift or lower headrest to  
desired position—locks automatically.  
Headrest can be tilted to desired  
angle. (Only available with optional  
headrest, -INT option is not adjustable)

## Lumbar Adjustment

To adjust depth of lumbar, turn  
clockwise to increase and counter-  
clockwise to decrease depth. To  
adjust height position, lift or lower  
lumbar to appropriate height and  
release—locks automatically.

# Care Instructions

With regular care and maintenance, your IC2® will provide many years of superior performance and satisfaction. To maintain the quality of your Nightingale product, please follow the cleaning instructions outlined here.

## Mechanism

Once a year, lubricate using light sewing machine oil or similar product. (Spray with plastic straw attached to sprayer). NOTE: To prevent dripping, avoid over lubrication which may cause damage to surrounding surfaces.

## NEBULA™ Mesh

Clean with mild detergent and water applied with a clean damp cloth or sponge. Rinse with a damp (water) cloth and let dry. Never use hot water and avoid scrubbing. Use gentle movements.

## Plastic Parts

To clean, spray with a mild detergent and wipe off using a damp (water) cloth. Do not use abrasives or excessive amounts of cleaner.

## Frame

Powder coat frames can be cleaned by wiping with a damp cloth and any mild detergent.

\*The instruction for the care and maintenance of Nightingale Products are provided to you as a service. No warranty is implied since results may vary.
