Seat Width:	18“
Seat Depth:	18”
Weight:	51/23 lbs (3/1 per carton)
Volume:	14.5/11 cu ft (3/1 per carton)

Features

- Mesh backing on the 200M model allows for comfortable air circulation and dynamic ergonomic support.
- Waterfall seat design on all models helps reduce muscle fatigue.
- Stacks 10 chairs on a dolly and 6 high when free-standing. Light and easy to move.
- Contoured nylon arms as shown.
- Frame constructed of 1” O.D. 16-gauge oval steel tubing with contoured rear angled legs for stability and wall-saving protection.
- All models, except mesh back, feature a black polypropylene back shell for durability and protection.
- Frame finish is a high-impact epoxy powder coat, electrostatically applied for corrosion resistance, standard in semi-gloss black. Model 200 features an all-plastic seat and back for ease of cleaning where a simple seating solution is desired.
- ANSI/BIFMA approved and TB117-2013 compliant.
