## How To Care For Your Khroma™

With regular care and maintenance, your Khroma™ will provide many years of superior performance and satisfaction. To maintain the quality of your Nightingale chair, please follow the cleaning procedures outlined here.

### Mechanism

Oil moving parts if ever necessary with light machine oil. NOTE: to prevent dripping, avoid over lubrication which may cause damage to surrounding surfaces.

### Fabric or Mesh

Clean with mild detergent and water applied with a damp clean cloth or sponge. Rinse using a damp cloth. Never use hot water and avoid scrubbing. Use gentle movements.

### Plastic parts

Clean with mild detergent and water. Do not use abrasives or excessive amounts of cleaner.

### Frame

Powder coat frames can be cleaned by wiping with a damp cloth and any mild detergent.

\* The instruction for the care and maintenance of Nightingale Products are provided to you as a service. No warranty is implied since results may vary.

# Congratulations On Purchasing Nightingale's Khroma™

Please read and understand this user guide with instructions before operating this office chair.

MODEL 3400D

## How To Use and Adjust My Khroma™

**A. Pneumatic Height Adjustment**  
To lower, turn the lever up while seated. To raise, turn lever up with your weight off the seat.

**B. Multi Position Tilt Lock**  
Turn lever up to unlock, turn down to lock.

**C. Tension Knob**  
Turn knob clockwise to increase tension, turn counter-clockwise to decrease tension.

**D. Chrome Arm Rests**  
with polished aluminum base. Upholstered arm pads for comfort.

**E. Pillow Upholstery**  
A pillow upholstery technique is used with vinyl leather or leather plus to provide a wrinkled, plush appearance.

**F. ENERSORB™**  
Conforms to your body when you sit and disperses your weight ergonomically to improve blood circulation and relieve pressure points.
