Features

- Chrome-plated 7/16” solid-bar frame provides strength and durability. The frame crossbar is set back to provide greater leg clearance. The standard frame is notched to accept optional floor glides. The duplex nickel-chrome finish enhances appearance and durability.
- Stacks 45 high, or 18 high when upholstered, with the 30D dolly and passes through a standard doorway measuring 79” high.
- Upholstered models stack 18 high on a dolly and come with separators to prevent damage to the fabric and foam. The plastic shell is available in standard black.
- Textured polypropylene seat and back shells are contoured for ergonomic comfort.
- ANSI/BIFMA approved and TB117-2013 compliant.
