Features

- Self-adjusting, concave armrests built into back with spring system to allow automatic adjustment for each individual user.
- High-resiliency molded back foam for comfort and durability. ENERSORB™ seat foam to reduce sitting fatigue by reducing pressure points and increasing blood circulation.
- Built-in ratchet back height adjustment. Swivel mechanism with free float or variable back angle adjustment, pneumatic height adjustment, and seat slide for seat depth adjustment (1864).
- 2" black, dual wheel, non-marking, hooded polyurethane hard surface casters.
- Model 1864DS - Swivel mechanism featuring foot ring height adjustment and seat slider for seat depth adjustment. 5 prong, polished aluminum base with clear lacquer finish to maintain bright appearance.
- ANSI/BIFMA approved and TB117-2013 compliant.
