Care Instructions

With regular care and maintenance, your Overtime will provide many years of superior performance and satisfaction. To maintain the quality of your Nightingale product, please follow the cleaning instructions outlined here.

MECHANISM

Once a year, lubricate using light sewing machine oil or similar product. (Spray with plastic straw attached to sprayer). NOTE: To prevent dripping, avoid over lubrication which may cause damage to surrounding surfaces.

PLASTIC PARTS

To clean, spray with a mild detergent and wipe off using a damp (water) cloth. Do not use abrasives or excessive amounts of cleaner.

*The instruction for the care and maintenance of Nightingale Products are provided to you as a service. No warranty is implied since results may vary.
