Care Instructions
With regular care and maintenance, your Veronna™ will provide many years of superior performance and satisfaction. To maintain the quality of your Nightingale chair, please follow the cleaning instructions outlined here.

Mechanism
Once a year, lubricate using light sewing machine oil or similar product. (Spray with plastic straw attached to sprayer). NOTE: To prevent dripping, avoid over lubrication which may cause damage to surrounding surfaces.

Plastic Parts
To clean, spray with a mild detergent and wipe off using a damp (water) cloth. Do not use abrasives or excessive amounts of cleaner.

Frame
Chrome frames can be cleaned by wiping with a damp cloth and any mild detergent.

Fabric
Clean with mild detergent and water applied with a damp clean cloth or sponge. Rinse with water. Never use hot water and avoid scrubbing. Use gentle movements.

*The instruction for the care and maintenance of Nightingale Products are provided to you as a service. No warranty is implied since results may vary.
