“Extreme Comfort Runs In The Family”
Experience The XO Collection.
Extreme Comfort Runs In The Family...

It was a matter of deliberate design to create a “new signature shape” for the XO Collection™. One Collection. Seven Chair Series. Harmonic design and individual function. The first ergonomic mesh chair collection that provides real choice - form and function - without sacrificing comfort or quality. REVOLUTIONARY. PATENTED.

The XO Collection eloquently expresses its function and coordinates with a variety of environments. W.R. Breen designed the XO Collection to be used in workstations, private offices, conference rooms, team areas, or community spaces - in business and learning environments.
The Most Comfortable Chair In The World. PERIOD.

HEADREST
Adjusts up/down with an innovative coat hook built into its design. Headrest is field installable. ENERSORB™ foam provides comfort and support.

ABLEX™ MESH BACKING
Allows air to pass freely, making it comfortable in all environments. It also boasts dynamic movement — in other words, it moves with you.

4D ARMRESTS
Spring-loaded ball bearing ratcheting system (patent pending) operates the armrests. Armrests move up/down, in/out, complete with lockable swivel and forward/backward arm pad adjustment.

LUMBAR/ THORACIC SUPPORT
The contoured thoracic/lumbar pad with ENERSORB™ foam can be easily adjusted up and down and in and out for personalized lumbar/thoracic support and ergonomic comfort.

ENERSORB™ FOAM
ENERSORB™ foam (found in the seating surface, lumbar support and headrest) conforms to your body when you sit and reverts to its natural form when you get up.

FOUR-WAY STRETCH FABRIC
Dual-layer Mystic fabric is perforated for exceptional airflow. (Standard in Mystic fabric). It also has a four way stretch, which moves perfectly with ENERSORB™ foam for added comfort and durability.

MECHANISM / SEAT SLIDER
Synchronous knee tilt mechanism, complete with easy to use side tension control and an integrated self locking seat slider for seat depth adjustment and pneumatic height adjustment.
The CXO chair offers a refreshing cool look that will enhance any office environment. From concept to comfort, there’s nothing quite like the CXO.

Customer Care (800) 363 - 8954 | www.nightingalechairs.com
Since 1928, Nightingale has provided the world with innovative seating solutions.

While much has changed over the past 80 years in the design and function of seating, our commitment to comfort, quality and innovation has always remained a constant.

Many of our current seating products are patented and or design registered, and clearly demonstrate our commitment to the future of office seating”.

ECOLOGICAL STATEMENT

At Nightingale Corp., we believe in respecting our employees, our customers, our vendors, and the environment. By respecting our planet’s fragile eco-system, we respect our children’s future, their children’s future…..

Planet Nightingale is our environmental initiative. Our commitment to the environment is expressed in a variety of ways - from making smart choices when it comes to choosing materials and processes, to designing products that are simple, flexible, and durable. It’s all about doing more with less.

Nightingale is proud to have developed and promoted an environmental policy long before government instituted mandatory recycling. We are committed to manufacturing our products utilizing methods and materials that help to reduce the adverse impact on our environment.

The basic elements of our plan are to use others’ waste (recycled materials) or sustainable sources of raw materials to create our products, to ensure that our products are recyclable, to use as few resources as possible in the manufacturing process, and to ensure that we minimize or eliminate waste and emissions.

We would like our footprint on the world to be very light.
