## :: SURGEON CONSOLE CHAIR

### :: about the surgeon console chair

The Surgeon Console Chair was engineered and designed to provide individual comfort and support for prolonged periods of time through its unique features. The patented unique self-adjusting back and armrest support offers a level of ergonomic support and comfort that the user of this specialized chair will appreciate.

- Self-adjusting built-in concave armrests built into back with spring system to allow armrest to adjust automatically to each individual user
- High resiliency molded foam for comfort and durability
- Enersorb seat foam to reduce sitting fatigue by reducing pressure points and increasing blood circulation
- Back is standard with built-in ratchet system for back height adjustment
- Swivel mechanism with free float or variable back angle adjustment, pneumatic height adjustment, seat slide adjustment
- 2" Black, dual wheel, non-marking, hooded polyurethane soft wheel casters for hard floor surfaces
- 5 prong, polished aluminum base with clear lacquer finish to maintain bright appearance

### :: textile

Available in any of Nightingale's textile collection fabrics or Morcare Healthcare Vinyl
