

## FEATURES

### A. BACK

Responsive ABLEX™ mesh back creates a contoured shape that provides perfect support for all users.

### B. ARMS

Short arms provide comfortable support and easy access in and out of the chair. Polyurethane arm pads for comfort.

### C. SEAT

Ultra-comfortable ENERSORB™ pillow-top layer of foam that allows for greater blood circulation, reducing seating pressure points and providing extreme comfort.

### D. LEGS

Oval tubular reinforced steel legs, complete with adjustable non-marking floor glides. Angled rear legs for stability.

*Note: multiple aesthetic options available.*

TB117-2013 COMPLIANT

Made in a 100% waste free manufacturing facility.

#### **DIMENSIONS DISCLAIMER**

Dimensions were taken from specified locations on our standard model, and reflect user-experience with our product. Dimensions can vary according to selected customizable options. Dimensions for space planning or shipping are provided upon request.

#### **TEXTILE DISCLAIMER**

Nightingale only upholsters with top quality materials.

Nightingale recommends ordering product samples at [www.nightingalechairs.com/textiles](http://www.nightingalechairs.com/textiles) before final purchase to get a more accurate representation of color. However, due to slight variations in dye lots, there can be slight color variations to received product.

Nightingale has made every effort to represent the colors and textures of these textiles, vinyls and leathers as accurately as possible. However, we cannot guarantee 100% accuracy, due to variations that occur in the printing process.
